Gentlemen:

This refers to the inspection conducted under the Resident Inspection Program by Messrs. W. D. Johnson and L. J. Callan of this office covering the period of July 1-31, 1982, of activities authorized by NRC Facility Operating Licenses DPR-51 and NPF-6 for Arkansas Nuclear One, Units 1 and 2, and to discussion of the findings by the NRC inspectors with members of your staff at the conclusion of each segment of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of this inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(d)(1).
