SAFEGUARDS INFORMATION REMOVED

Gentlemen:

Subject: Report No. 50-335/82-27²³

This is in response to your letter of August 5, 1982, informing us of steps you have taken to correct the violation concerning activities under NRC License No. DPR-67 brought to your attention in our letter of June 29, 1982.

We have evaluated your response and found, for the reasons presented in the enclosure to this letter, that your basis for denial of the violation are inadequate. Accordingly, the corrective measure described in paragraph 3 of your response should remain in effect unless a specific exemption is granted by the NRR under 10 CFR 50.90. We will examine your corrective actions and plans during subsequent inspections.

The material enclosed herewith contains Safeguards Information as defined 10 CFR 73.21 and its disclosure to unauthorized individuals is prohibited by Section 147 of the Atomic Energy Act of 1954, as amended.

Sincerely,

R. C. Lewis, Director
