SUBJECT: REQUEST FOR ADDITIONAL INFORMATION ON INSERVICE TESTING
PROGRAM RELIEF REQUEST - NRC LETTER DATED DECEMBER 15, 1982

The additional information requested in your letter of December 15, 1982 will require an extension of time for our response. The work to develop the testing program was performed over three years ago and the research into the background has proven to be more time consuming than anticipated. However, our response will be mailed by March 4, 1983.
