(Callaway Plant, Unit 1)

Docket No. STN 50-483-OL
ASLB No. 81-449-01 OL

September 10, 1982

MEMORANDUM AND PREHEARING CONFERENCE ORDER

As a result of a delay in Applicant's proposed fuel loading date and the need for additional time to complete specification, consolidation and any elimination of Intervenor Reed's contentions, the parties have agreed upon changes in the hearing schedule as follows:

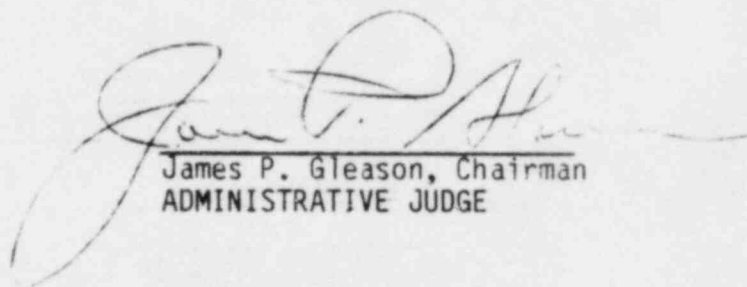

October 1, 1982	Final submittal of Intervenor's contentions.
November 17, 1982	Board ruling on contentions.
November 24, 1982	Final day for discovery requests by Applicant and Intervenor.
December 23, 1982	Final day for responses to discovery requests.
January 26, 1983	Last day for filing motions for summary disposition.

February 15, 1983	Last day for filing responses to summary dispositions motions.
March 15, 1983	Board rulings on motions for summary disposition.
April 15, 1983	Last day for filing of direct, written testimony and qualifications of expert witnesses.
May 3, 1983	Commencement of evidentiary hearing.

During the prehearing conference held on September 8, 1982, the parties also agreed on intermediate dates for filing objections, if any, to contentions and discovery requirements.

The schedule changes are approved by the Board.
