Docket No. 50-461

Illinois Power Company
ATTN: Mr. W. C. Gerstner
Executive Vice President
500 South 27th Street
Decatur, Illinois 62525

Gentlemen:

This confirms the verbal approval given on September 3, 1982 by Mr. R. S. Love of this office regarding a limited work resumption on Confirmatory Action Letter dated January 27, 1982, (Stop Work Action 007). The scope of this work resumption is limited to the electrical tray and attachment work associated with the travelers listed in Enclosure 1.

Illinois Power Company is reminded that the NRC will perform a detailed inspection on all or selected portions of this work prior to releasing additional work under the subject Confirmatory Action Letter. To assist the NRC in scheduling a timely inspection of this completed work, it is requested that the NRC's Senior Resident Inspector at the Clinton Nuclear Power Station be kept abreast of the progress and be given an estimated time of completion at the earliest possible time.

We will gladly discuss any questions you have concerning this limited work authorization.

Sincerely,

"Original Signed by C.E. Norelius"

C. E. Norelius, Director
Division of Engineering
and Technical Programs
