Re: Docket No. 50-29--Property
Damage Exemption Request

Dear Mr. Crutchfield:

This will acknowledge receipt of your letter of August 13 which arrived while I was away on vacation. In my absence members of the Yankee Atomic organization have been assembling the additional information supporting their request which you allude to in your letter and we expect to have that material filed with you in the very near future. After that filing, we would be happy to meet with you to discuss the exemption request if you feel such a meeting would be useful.

Very truly yours,

John A. Ritsher
