ORDER

February 17, 1983

On February 8, 1983 we received a letter from counsel for the licensee outlining a proposal to deviate from certain guidelines approved by the Licensing Board in its decision of December 14, 1981. Although no exceptions were filed with regard to the specific matter discussed in counsel's February 8 letter, the design and separation phase of the restart proceeding is before us on appeal. In such circumstances parties may file comments with respect to the letter. Comments should be filed no later than March 4, 1983.

It is so ORDERED.
