REF: Withdrawal of export license XB001283

Dear Mr Hauber,

On June 11, 1993 I wrote to you requesting the withdrawal of an export license which we had submitted on July 1, 1992.

Your response to me, dated June 29, 1993 advised me that you were sending a copy of your correspondence to the Office of the Controller which would presumably be responsible for the refund of the \$3,600.00 licensing fee which accompanied our original application.

To date we have had no further correspondence from any office of the Nuclear Regulatory Commission and I would appreciate an indication as to when I can expect to receive the requested refund.

Sincerely,

R.H. Fisk
