Subject: DEATH OF A LICENSEE CONTRACT EMPLOYEE

At 6:13 a.m. on March 28, 1994, the control room was informed that a worker had suffered an apparent heart attack inside the protected area, but outside any vital areas or radiologically controlled areas. Coworkers immediately started administrating CPR. The onsite nurse and other personnel responded providing medical assistance. The worker was a contract Nondestructive Examination technician who reported to work and was walking to his office. At 6:27 a.m. an ambulance arrived onsite and at 6:44 a.m. left for St. Mary's hospital. St. Mary's hospital was not successful in resuscitating the individual.

The state of Arkansas has been informed.

Region IV received notification of this occurrence by telephone from the Resident Inspector at 7:35 a.m. Region IV has informed LDO, NRR, and PAO.

This information has been confirmed with a licensee representative.
