Dear Mr. Murphy:

This confirms our plans as discussed between Mr. W. G. Snell of this office and Mr. L. Oshier of your staff to conduct a meeting at 1:00 p.m. (CST) on Tuesday, March 29, 1994, at the U.S. Nuclear Regulatory Commission Region III Office, 801 Warrenville Road, Lisle, Illinois.

The purpose of this meeting is for you to provide long-range plans for addressing concerns which pertain to the radiation protection at LaSalle Station, including source term reduction.

If you have any questions regarding this meeting, please contact Mr. W. Snell at (708) 829-9871.

Sincerely,

Original Signed By
