

Marketing Studies from Faculty Series
V. 4, No. 2004
Florida International University

As a result of the findings reported in this study, it is recommended that the following actions be taken:

10-018-00 Appendix A, Section 8 states, "It will be determined whether or not the services required by paragraph 8-1001-00
should be furnished prior to delivery."

Suppose 15-18% of the Society members choose to receive a business and service fee. This would result in over \$100 million in revenue, including profits and contributions to the various funds and the Service Foundation.

State Budget Specification No. 200-001, Schedule of Funds, Section 2-2-4 states, "If any law provides that funds be used in one year and the law does not make any provision for their use in another year, they shall not be used."

The 2000 Author and Research Record Code, Section 03, 2000 edition including changes issued January 2000, contains the following additions to part 1, Sections 001-003 which were in the previous 2000 edition, and parts 2 and 3, which were in the previous 2000 edition, and parts 2 and 3, which were in the previous 2000 edition.

1960. Since January 1960, the number of registered voters in the state has increased by 1,000,000.

Dear Doctor George Thompson Jr., M.D.: I am, Doctor Thompson, your son, George J. Thompson, Jr. I am a practicing physician and am returning to you my office which has been
