Dear Mr. Felton:

Pursuant to the Freedom of Information Act, NRDC requests a copy of all transcripts, vugraphs, briefing papers, etc., connected with the Commission's closed briefing on design basis threat held May 21, 1982, as soon as they are available.

If any of these materials happen to touch on classified matters, we request that scrubbed versions be provided.

We also request that any fees that might be assessed for reproduction be waived, as provided in the Act, because NRDC is a nonprofit, tax-exempt organization, and the information requested will be used only for public education and in the public interest.
