IN RESPONSE REFER
TO FOIA-82-235

Dear Mr. Cochran:

This is in response to your letter dated May 17, 1982 in which you requested, pursuant to the Freedom of Information Act, a copy of all transcripts, viewgraphs, briefing papers, etc., regarding the NRC's closed briefing on design basis threat held on May 21, 1982.

A copy of the viewgraphs are enclosed. The transcripts are presently undergoing a security review, and we will respond as soon as that review has been completed. This office has been informed that there were no briefing papers prepared for the hearing.

The NRC has not yet completed its review of the remaining documents subject to your request. We will advise you as soon as that review is completed.

Sincerely,
