Docket No. 40-3453

Atlas Minerals
ATTN: Mr. R. E. Blubaugh
Post Office Box 1207
Moab, UT 84532

Dear Mr. Blubaugh:

This is to confirm recent telecons between Pete Garcia of my staff and yourself concerning an upcoming site visit to the Moab Mill by Mr. John Davis, Director of the Office of Nuclear Material Safety and Safeguards. Mr. Davis will be accompanied by either Mr. Garcia or myself and our planned time of arrival is approximately 2:00 p.m. on September 14, 1982. Any further details will be provided to you via telecon as soon as they become available.

Sincerely,

Original signed by
