Re: CONOCO OPTIONS TO PURCHASE THE PIT 35N AREA -
SAND ROCK MILL - NRC DOCKET NO. 40-8743

Dear Mr. Fleming:

Enclosed you will find documents (eight duplicate sets) which demonstrate Conoco's land control of the Pit 35N area; the nature of the documents is described below:

Item A - Mining Lease dated February 18, 1977. Please understand that this item is NOT public record and should be kept CONFIDENTIAL. You'll note that the agreement is between the Moore family and Kerr-McGee, and the option to purchase (page 8) covered portions of Section 35 (Exhibit A).

Item B - Assignment of Mining Lease dated October 20, 1977. Kerr-McGee transfer 1/2 interest to Conoco.

Item C - Option Agreement dated January 3, 1983. Walker Creek Livestock Company (the Moore family) grants Conoco an option on the remaining portions of the Pit 35N area.

Please contact me if you have any questions concerning these documents.

Sincerely,

T.W. Quigley
