Dear Participant:

This is to inform you that you have been accepted for attendance at the NRC training course entitled, "Safety Assessment Methodologies for Near-Surface Radioactive Waste Disposal" course to be held February 14 to March 4, 1994, Argonne, Illinois. The course will be conducted by the Argonne National Laboratory. The course will begin at 8:50 a.m. on the morning of February 14, 1994 and will end at 4:00 p.m. on Friday, March 4, 1994.

TRAVEL

Your travel plans should be made with these points in mind:

0 You should fly into Chicago's Midway Airport.

0 BECAUSE OF TRAFFIC CONDITIONS IN THE CHICAGO AREA, PLEASE MAKE YOUR DEPARTURE TIMES AFTER 5:00 p.m. on Friday, March 4, 1994.

0 DO NOT MAKE YOUR OWN PLANE RESERVATIONS. Please call Carlson Travel at 202-554-1850. Carlson will make your reservations and mail you a ticket. In order for you to receive your ticket in a timely manner, you must call Carlson immediately. If you are traveling by car, we will reimburse participants for travel based on the rate per mile at the time of your attendance at the course, not to exceed the lowest airfare.

Since rental cars are NOT AUTHORIZED, we have arranged for the Holiday Inn to provide a shuttle for travel between Midway airport and the hotel.

HOTEL and PER DIEM

Arrangements have been made for course attendees to stay at the Holiday Inn, 7800 South Kingery Highway (Route 83), Willowbrook, Illinois; (708) 325-6400; for the period Sunday, February 13, 1994 to Friday, March 4, 1994. We have negotiated a special rate for lodging for this course of \$63.13 (tax included). We will pay a per diem allowance up to \$38.00/day for meals and incidentals (M&IE).

YOU MUST MAKE YOUR OWN ROOM RESERVATIONS IMMEDIATELY! When you call the hotel inform reservations that you are with "NRC" (the name we used when making our arrangements with the hotel). If you plan on arriving at the hotel after 6:00 p.m., a credit card guarantee is necessary to reserve your room. If you have any problems with your reservations, please call Brenda Hill at 301-504-2348.

When you contact the hotel you should also tell them of your airline and arrival time at Midway airport. This will allow the hotel to plan for picking you up when you arrive.

LOCAL ARRANGEMENTS

Transportation will be provided between the hotel and laboratory each day beginning on Monday, February 14, 1994. Please meet in the main lobby at 8:15 a.m. each morning. The shuttle will leave the laboratory at 5:00 p.m. each day.

If you have any questions or if you will not be able to attend this course, please call me as soon as possible. I can be reached at 301-504-2328.

Sincerely,

Jim Myers
