MEMORANDUM FOR: Victor Stello, Deputy Executive Director  
for Operations & Generic Requirements

FROM: Harold R. Denton, Director  
Office of Nuclear Reactor Regulation

SUBJECT: REQUEST FOR CRGR BRIEFINGS

In your memorandum of August 19 on Standby Shutdown Facilities you asked that we brief the CRGR at the September meeting. Similarly, I note that you have scheduled a briefing on the status of scheduling reactor specific actions on that same date.

On both of these topics, we will be unable to meet the proposed date for the briefings. Please reschedule them to at least two weeks after your September meeting.

A handwritten signature in cursive script, appearing to read "HR Denton".
