RE: In the Matter of Consumers Power Company
(Big Rock Point Nuclear Power Plant), Docket
No. 50-155-OLA (Spent Fuel Pool Modification)

Gentlemen:

On September 13, 1982, I served on all parties copies of Consumers Power Company's Reply to Intervenors' Proposed Findings on Remaining NEPA Issues. It has since come to my attention that page three was inadvertently omitted from some of the copies. I enclose a copy of the omitted page, which I am also sending to all parties. I apologize for any inconvenience that the omission may have caused.

Sincerely,

Peter Thornton
