

NOTICE OF VIOLATION

South Haven Community Hospital
South Haven, MI 49090-0489

License No. 21-26266-01
Docket No. 030-32015

During an NRC inspection conducted on February 18, 1994, violations of NRC requirements were identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violations are listed below:

1. Licensed Condition No. 16 requires that licensed material be possessed and used in accordance with the statements, representations, and procedures contained in certain referenced applications and letters.

The referenced application dated March 6, 1992, in part, states that Regulatory Guide 10.6, Appendix D - Personnel Monitoring Model Program will be used. The program states all individuals who are regularly exposed will be issued a whole body radiation monitor.

Contrary to the above, the nuclear medicine technologist in training for four days had not been issued a whole body monitor.

This is a Severity Level IV violation (Supplement VI).

2. 10 CFR 35.70(a) requires, in part, that radiation surveys be performed, at the end of the day, in all areas where radiopharmaceuticals were used.

Contrary to the above, radiation surveys were not performed, at the end of the day, in the areas where pharmaceuticals had been used. Specifically, the surveys were performed at the start of the day.

This is a Severity Level IV violation (Supplement VI).

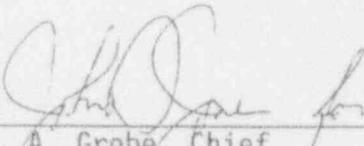

Pursuant to the provisions of 10 CFR 2.201, South Haven Community Hospital is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, Region III, 801 Warrenton Road, Lisle, Illinois, 60532-4351, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an

adequate reply is not received within the time specified in this Notice, an order or a demand for information may be issued as to why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.

MAR 23 1994
