Dear Sir:

On behalf of Advanced Medical Systems, Inc. (AMS), I hereby amend the AMS response of July 31, 1985 to Item A of the above-captioned Notice of Violation.

Based upon legal research and investigation conducted after the original response, I request that the response to Item A be stricken. AMS wishes to concede that technically a violation of 10 CFR 20.101(a) did occur.

Very truly yours,
