RE: Limerick Generating Station Units 1 and 2
Docket Numbers 50-352 and 50-353

Dear Mr. Eisenhut:

Your August 11, 1981 letter requested that we provide quarterly updates of our construction completion date for Limerick Unit 1. The October, 1984 construction completion date for Unit 1 given in our last report is still consistent with our ongoing construction effort.

Very truly yours,

Eugene J. Bradley
