US NUCLEAR REGULATORY COMMISSION
REGION II
c/o MS. SANDRA L. WALDRON
101 MARIETTA ST., N.W.
ATLANTA, GEORGIA, 30323

Dear Ms. Waldron:

In regard with the results of the last NRC Inspection, we accept the violations indicated in your Notice of Violations dated MARCH 7, 1990 and confirm our desire to take corrective actions immediately. It is intended to prepare a License Renewal Application in the very near future and to have in this way a unique document which reflects properly our current Radiation Safety Program.

Sincerely Yours,

Frieda Silva de Roldán
