Gentlemen:

The purpose of this letter is to provide information concerning the Generic Fundamentals Examination Section (GFES) of the operator licensing written examination to be administered on October 10, 1990. The PWR GFES and BWR GFES will be administered at the time and the location specified in Enclosure 1. Included with this letter are:

- o a map of the area including the time and location where the examinations will be administered (Enclosure 1)
- o a list of lodging in the immediate area (Enclosure 1)
- o the name and telephone number of the regional contact (Enclosure 1)
- o preliminary instructions for those taking the examination (Enclosure 2)

Please ensure that each participant receives a copy of the instructions.

We are pleased with your response in support of this effort. The results of the examination should be available within 3 weeks following completion of the examination. A master copy of the examination with answers, a table showing the scores of each candidate, and a copy of the answer sheet for each participant will be sent to the facility training department.

Sincerely,

Jim R. Johnson

6 Samuel J. Collins, Director
Division of Reactor Projects
