Dear Dr. Samman:

This will acknowledge receipt of your letter dated February 19, 1994 indicating that the requirements of 10 CFR 35.32, "Quality Management Program" (QMP), do not apply to your program. Based on your declaration, we agree that a QMP need not be implemented at this time. However, in the future, should you wish to institute procedures in accordance with the provisions of Section 35.32(a)(1), it will be necessary to submit a QMP to our office for review and approval prior to its implementation.

Should you have any questions or need clarification regarding this matter, you may call us at (708) 829-9887.

Sincerely,

RE: Control #96198-

96189

Dear Sir:

We have reviewed regulatory guide 8.33 and have determined that it does not apply to our program since we do not perform any radiopharmaceutical therapy or use I-125 or I-131 in dosages of 30 uCi or above.

Thus, the quality management program does not apply to our facility. If there are any questions please call me.

Thank you.

Sincerely,

Bashar Samman, M.D.
