Subject: Final report "Functional Needs Update and Status Report on the DHLWM Advanced Computer Review System," Intermediate Milestone No. 3702-076-010.

Dear Mrs. Fortuna:

Enclosed is the subject final report which was revised this week based on comments received from DHLWM staff. It has been assigned the unique report identifier CNWRA 92-010 for ease of referencing in the future. As planned, we are ready to meet with DHLWM management and project officers to resolve issues prior to starting the design of this system. We are prepared to provide additional information for specific questions you might have in regard to the proposed ordering, level, and timing of the system implementation.

If you have any questions, please contact Rawley Johnson at (512) 522-5153.

Very truly yours,

  
Henry F. Garcia  
Director of Administration
