September 13, 1990

Docket Nos. 50-348
50-364

U. S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, D.C. 20555

Gentlemen:

Joseph M. Farley Nuclear Plant
Response to the Notice of Violation Cited In
Report Numbers 50-348/90-19 and 50-364/90-19
Resulting from the July 11-13, 1990 NRC Inspection

The attachment to this letter refers to the violation cited in the above referenced inspection reports and is being submitted in accordance with 10 CFR 2.201. It should be noted that the corrective steps that will be taken to avoid further violations were discussed with and agreed upon by the NRC Region II and NRR staff in a telecon on August 22, 1990.

I affirm that the attached response is true and complete to the best of my knowledge, information, and belief. The information contained in this letter is not considered to be of a proprietary nature but is considered as Safeguards Information.

Respectfully submitted,

W. G. Hairston, III
