Gentlemen:

This is in response to your August 29, 1990 letter to me and subsequent telephone conversation on September 12, 1990 with Mr. John A. Grobe of my staff, regarding the April 27, 1990 NRC Order issued to St. Mary Medical Center, Hobart-Gary, Indiana. Your letter requested additional time in order to comply with Section V.B. of the Order.

As discussed with you in the September 12 telephone conversation, we have determined that there are certain issues that should be discussed before we decide upon your request. This letter will acknowledge your agreement to meet with me and my staff on September 18, 1990, at 3:00 p.m. (CDT), at the Region III office, 799 Roosevelt Road, Building 4, Glen Ellyn, Illinois. The purpose of this meeting is for the NRC to better understand any existing and future barriers which may prohibit your compliance with the audit requirements of the Order.

If you have any questions regarding the Order or meeting, please contact Mr. John A. Grobe of my staff at (708) 790-5612.

Sincerely,

A. Bert Davis  
Regional Administrator
