SUBJECT: CRBR FUEL CYCLE ENVIRONMENTAL STATEMENT

Attached for your review is a copy of the safeguards portion of the updated CRBR Fuel Cycle Environmental Statement. The safeguards portion includes Section 7.3, "Safeguards Considerations" and Appendix E, "Safeguards Related to the CRBR Fuel Cycle and Transportation of Radioactive Materials." The Environmental Statement updates were prepared by contractors at Pacific Northwest Laboratories. Draft versions of the updates have been reviewed by various members of your staffs and their comments have been incorporated in the attachment. Also attached is a copy of a memorandum for Bob Burnett's signature that will formally transmit the material to Homer Lowenberg, the coordinator of the NMSS sections of the CRBR project.

We would like to receive any questions or comments you may have by COB May 26, 1982.
