Dear Dr. Richards:

As you requested in our discussion in February, I am sending you the data on the examination results for the years 1992 and 1993. Since any compilations and evaluations of the data can be misinterpreted, it is better if you as Chairman of TRTR have the data as it is so you can draw your own conclusions. If you have any questions please contact me at (301) 504-1042.

Sincerely,

*Jose G. Ibarra*
