MEMORANDUM FOR: Roy K. Mathew, Engineering Branch, DRS
FRM: Thomas T. Martin, Regional Administrator
SUBJECT: EXEMPTION TO 10 CFR 0.735-21

I have reviewed your Confidential Statement of Employment and Financial Interests (Form 269) and that you report, as a former employee of Bechtel, a vested interest in their pension plan.

In order to allow you to work on matters involving Bechtel an exemption from the provisions of 10 CFR 0.735-21 must be granted.

A review of the terms of the pension plan by the Office of General Counsel has revealed that as an NRC employee you cannot influence, in any fashion, the amount you receive as a pension from Bechtel. Based upon this finding, I have determined that your interest in the pension plan is not so substantial as to be deemed likely to affect the integrity of your services to the NRC and that no provision of law and no NRC regulation would appear to be violated by your participation in matters affecting Bechtel.

Therefore, with the concurrence of the Office of General Counsel, you are hereby granted an exemption from the requirements of 10 CFR 0.735-21 and you may participate in matters before the NRC affecting Bechtel.

Please retain a copy of this document and include a copy of it with each year's disclosure report.
