Gentlemen:

Enclosed is Materials License No. SNM-1168, as renewed. The license contains additional conditions which were agreed upon in telephone conversations with your Ms. K. S. Lester and Dr. S. Soong of my staff. A copy of the Safety Evaluation Report is also enclosed.

You are hereby advised that any requests for amendment to this license should be submitted in the form of replacement pages to the Conditions Sections and, if necessary, to the Safety Demonstrations Sections with the changes or new items clearly identified.
