Subject: Operator Licensing Examination Schedule (Generic Letter  
90-70)

Gentlemen:

As requested in Generic Letter 90-70, we have enclosed the form giving our estimated operator licensing examination requirements for the next several years. We anticipate the need for one instant SRO exam in August 1992, and one instant SRO exam in August 1994.

As we are a non-power facility it is our understanding that the other information requested with respect to the requalification examination schedule and the Generic Fundamental Examination Schedule (GFES) is not applicable to us.

Yours sincerely,
