Dear Dr. Khairi:

This refers to the telephone discussion with Mr. W. P. Reichhold on September 7, 1990, concerning your corrective actions. We understand that your corrective actions for violations 1 and 2 were completed by August 1990, and you will follow the manufacturer's recommendations the next time you ship a iodine-125 source.

We also understand that you will review these procedures and requirements monthly to make sure the violations are not repeated.

Thank you for your cooperation.

Sincerely,

George M. McCann, Chief
