Attn: Sharlene McCubbin, P-902  
ARM/DCPM  
7920 Norfolk Avenue  
Bethesda, MD 20814

Submitted By:

EG&G InterTech, Inc.  
1529 Highway 92 West, Box 13  
Woodstock, GA 30188

Date:

September 6, 1990

## Technical Approach

The content of the presentation will be as requested in the Objective of the RFP. No additional development is expected.

The presenter will be selected from Dorian S. Conger, Director-Risk Analysis, Ken Elsea, Director-Risk Analysis or Richard H. Belote, Senior Consultant.

I believe that no conflicts of interest exist other than those outlined in the original proposal. I represent, to the best of my knowledge and belief, that the award of Option 2 under contract number NRC-26-89-293 does not involve situations or relationships of the type set forth in 41 CFR 20-1. 5403 (b) (1). Finally, no current/former NRC employees were involved in developing, negotiating, delivering, or administering this contract.

### Cost Estimate

EG&G InterTech shall be reimbursed at the fixed rate provided under the contract (page 4) for the presentation under option 2 as follows: \$199.00 per person per day for 10 people.

Associated travel expenses shall be in accordance with current Federal Travel Regulations plus 10% general and administrative costs\*.

Estimated cost, based on 10 people are as follows:

Presentation:	\$1,990.00
Development:	\$
Travel:	\$ 783.00
Total:	\$2,773.00

\* The most recent internal review of EG&G InterTech's general and administrative expense is reflected in the change to 10%.

Contract NRC-26-89-293

Modification No. 6

Statement of Work

Objective:

The objective of this modification is to exercise Option 2 under Contract Section H, Special Contract Requirements, Subsection H.7, Option to Extend Services, for the presentation of the Root Cause Analysis Workshop.

The workshop will review the EG&G InterTech Model Program for Root Cause Analysis including a discussion of root cause program philosophy and key program considerations including event classifications, assigning the investigation, procedures for conducting investigations, post investigation responsibilities and training.

Presentation:

DATE: September 26, 1990

PLACE: Glen Ellyn, IL.

TIME: 1 to 4 p.m.

The cost of the presentation shall be based on 10 people, plus travel expenses for the workshop leader.
