Gentlemen:

We have reviewed Appendix B of §73., I.E., II.E, and IV.D regarding individual requalification as it pertains to Security personnel at least every twelve months. We agree that the terminology currently utilized in the Surry and North Anna Power Station Security Force Training and Qualification Plan is not identical to that specified in the code.

We are submitting revised Surry and North Anna Security Training and Qualification Plans under the provisions of §50.54(p).

Very truly yours,

R. H. Leasburg
