Subject: STOLEN MOISTURE-DENSITY GAUGE

The State of Oregon informed Region V of the theft of a Campbell Pacific Nuclear Model MC-1 gauge, Serial Number M17072001. The gauge was stolen from the back of a pickup truck which was parked in front of a restaurant in Redmond, Oregon on the evening of March 14, 1994. The gauge was chained and locked in place, but the chains were cut and the gauge was removed. The licensee filed a police report; however, no press release has been issued.

Region V received initial notification of this occurrence by telephone from the State of Oregon at 9:25 a.m. PST, March 15, 1994. The state is following- up on the matter.

This preliminary notification is issued for information only and no further action by the staff is anticipated.
