licensee Condition 17 states that the licensee shall conduct its program in accordance with the statements, representations and procedures contained in the application dated August 23, 1986. Section IV of the application states that each radiographer will be inspected quarterly.

Contrary to the above, at the El Rens facility, one radiographer was not inspected during the first quarter of 1990 and another radiographer was not inspected during the second quarter of 1990.
