OCRE REPLY TO APPLICANTS' MOTION TO
AMEND SEPTEMBER 16, 1982 MEMORANDUM AND ORDER

On September 21, 1982 Applicants filed a motion to amend the Licensing Board's September 16, 1982 Memorandum and Order (Concerning Scheduling), in which Applicants have requested that the period between the filing of direct testimony and the commencement of the hearing be extended from 2 to 3 weeks. OCRE agrees with Applicants that the 15 day period provided by the Board's schedule is probably insufficient. However, OCRE believes that moving the date for the filing of testimony from January 31, 1983 to January 24, 1983 will prejudice intervenors in that the extra week's time will be necessary to prepare testimony. OCRE therefore urges the Board to adopt the Applicants' other suggestion, i.e., that the hearing date be delayed to February 22, 1983.

Respectfully submitted,
Susan L. Hiatt
