Subject: Oconee Nuclear Station  
Safeguards Contingency Plan  
Revision 7

Dear Mr. Denton:

Attached are five copies of Revision 7 to the Oconee Nuclear Station Safeguards Contingency Plan. The primary reason for this revision is to incorporate changes in the NRC policy of reporting Safeguards Events per 10 CFR 73.71(c). Revision 7 is submitted pursuant to 10 CFR 50.54 (p) and does not decrease the effectiveness of the plan.

Since this material is applicable to security provisions at Oconee and contains Safeguards Information as specified in 10 CFR 73.21, it is requested that this information be withheld from public disclosure.

Very truly yours,

*H B Tucker /STO*
