Truman Medical Center
ATTN: Jack L. Nichols
Associate Administrator
2301 Holmes Street
Kansas City, MO 64108

Gentlemen:

This is in response to your May 16, 1990, letter regarding an exemption from fees for License 24-25816-01.

You state in your letter that Truman Medical Center-West is owned by the County and is funded by the City. However, in our May 22, 1990, telephone conversation, you confirmed that although the County owns the building and the City provides funding, the Medical Center is operated by a private corporation, which has full control over and responsibility for the Medical Center, including nuclear medicine and public health and safety. Since the Medical Center is operated and controlled by a private corporation and neither the City nor the County are legally responsible for the use of nuclear materials and the public health and safety, the exemption is §170.11(a)(9) of 10 CFR 170, copy enclosed, is not applicable. Accordingly, previous fee payments are not refundable.

Based on the above, Invoice 1540E is due and payable. Payment of the \$740 inspection fee should be made within fifteen days from the date of this letter.

If you have any questions concerning this matter, please let me know. My telephone number is (301) 492-8740.

Sincerely,

Signed by:
