Dear Mr. Ebnetter:

RE: NOTICE OF VIOLATION AND PROPOSED IMPOSITION
OF CIVIL PENALTIES (NRC INSPECTION REPORT
NO. 030-13584/90-01 AND 030-31462/90-01)
N/E: 400-15

The purpose of this letter is to request an additional fifteen days to submit the response on the aforementioned subject.

Due to the serious nature of the alleged violations the Acting Chancellor of the Medical School, Dr. Angel Román Franco, has decided to reorganize the Radiation Department to better coordinate its functions, improve its services, and to ensure that the Medical School complies with the safety regulations imposed by law.

As part of the response to be submitted, we are planning to include the proposed reorganization plan, and the corrective action taken by the University with regard to this matter.
