Gentlemen:

As discussed in our letter dated June 30, 1976, the staff is presently assessing the environmental impact of the North Anna-Gordonsville 230 kV Transmission Line. We have determined that we need additional information to complete this assessment. We request that you respond to the questions included in Enclosure 1 to this letter. In order to minimize any delay in completing this assessment we request that you forward your responses to us no later than August 30, 1976.

Sincerely,

P. H. Seach
