Gentlemen:

SUBJECT: NOTICE OF VIOLATION AND TERMINATION OF LICENSE

On June 6, 1990, the NRC sent you a Demand for Information letter discussing an apparent therapy misadministration at your facility and requiring that you review the treatment records of former patients and determine if any additional misadministrations had occurred. In a telephone conversation with Mr. John Pelchat of this office on July 19, 1990, you indicated that you had received the Demand for Information. You also indicated that you had closed your practice and requested that your NRC license be terminated and, therefore, you would not respond to the Demand for Information.

Enclosed is a Notice of Violation that addresses your failure to respond to the Demand for Information. No response to this Notice of Violation is required.

In accordance with your request of February 12, 1990, we also enclose Amendment No. 15 to NRC License No. 45-05897-01, which terminates that license.

Should you apply for a new license or seek to be added to any NRC license as an authorized user at any time, you will need to explain your failure to respond to the Demand for Information.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room.

Sincerely,

Original Signed By  
J. L. Milhoan
