Dear Mr. Carlson:

Attached for your information and review is the final draft of the Region III Inspection Report No. 03016055/86-001(DRSS) of the Advance Medical Systems, Inc. (AMS), apparent violation of 10 CFR 21.21. This inspection will be included in my AMS case. Based upon the findings of the inspection and Office of Investigations interviews, it appears we have a strong case against the company, and Irwin particularly.

If you have any questions, please do not hesitate to call.

Sincerely,

Harold G. Walker  
Senior Investigator  
Office of Investigations  
Field Office, Region III
