Gentlemen:

This refers to your letter dated September 28, 1990, requesting NRC review and approval of Drs. Ned B. Hornback, Richard A. Steeves, George Anthony Sandison, and Bhudatt B. Paliwal to conduct the brachytherapy audit as required by the Order dated April 27, 1990. After careful review of the information provided with your September 22, 1990 letter and after a telephonic interview of each candidate, NRC finds those individuals qualified to perform the audit and hereby approves them to review all appropriate records and patient files of the brachytherapy department since program inception at St. Mary Medical Center, Hobart - Gary.

The next action required pursuant to the April 27, 1990 Order, as last modified on September 21, 1990, is to submit within 20 days of the date of this letter your audit plan to the Regional Administrator, Region III, for approval.

If you have any questions, please contact Mr. John A. Grobe of my staff at (708) 790-5612.

Sincerely,

A. Bert Davis  
Regional Administrator
