ATTN: Mr. L. A. Capra  
Senior Vice President  
P. O. Box 788

Gentlemen:

Thank you for your letters of September 4, 1982, and September 15, 1982, in response to our letter of August 6, 1982, and our telephone call on September 15, 1982. As a result of the discussion with your Mr. J. E. Pezzullo during a telephone call on September 21, 1982, we understand that the 21 drawings identified in nonconformance B. were recalled, stamped, and reissued with letters of transmittal. Further, your review established that these were the only affected drawings.

We have no further questions at this time and will review your corrective action and preventive measures during a future inspection.

Sincerely,

"Original Signed by"
