SUBJECT: REVISIONS 38 AND 39 TO THE WOLF CREEK NUCLEAR OPERATING CORPORATION
RADIOLOGICAL EMERGENCY RESPONSE PLAN

We have received your letters dated January 25 and February 11, 1994, which transmitted Revisions 38 and 39 to the Wolf Creek Nuclear Operating Corporation Radiological Emergency Response Plan. Revisions 38 and 39 were submitted in accordance with 10 CFR 50.54(q). Revision 38 incorporated organizational title changes, 10 CFR Part 20 changes, event downgrading requirement changes, and editorial changes. Revision 39 incorporated an editorial change to clarify potentially confusing wording contained in two emergency action levels.

We have reviewed Revisions 38 and 39 and have determined that both revisions are acceptable and do not appear to degrade the effectiveness of your emergency planning at Wolf Creek.

Should you have any questions concerning this letter, please contact Ms. Gail M. Good at (510) 975-0240.

Sincerely,

Samuel J. Collins, Director
Division of Radiation Safety
and Safeguards
