Subject: Nuclear Power Plant License Renewal  
Proposed Rule  
Duke Power Company Comments

Dear Sir:

In the Federal Register (55FR29043) dated July 17, 1990, the Nuclear Regulatory Commission published for comment a proposed rule to establish the requirements that an applicant for renewal must meet.

Duke Power Company has reviewed the proposed rule and concurs with the comments submitted by NUMARC and the NUBARG Policy Committee.

Very truly yours,

*Hal B. Tucker*
