OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: University of Puerto Rico (EA 90-076)
San Juan, Puerto Rico
Licensee Nos. 52-01946-07 and 52-01946-09(08)

Subject: IMPOSITION OF CIVIL PENALTIES - \$12,500

By EN 90-66 dated May 2, 1990, the Commission was notified of the intent of OE to issue a Notice of Violation and Proposed Imposition of Civil Penalties in the amount of \$12,500 to the University of Puerto Rico, San Juan, PR. This action was based on a number of violations that represented a significant lack of management oversight of the radiation safety program for a broadscope and teletherapy license.

The licensee responded to the Notice in letter dated September 4, 1990, admitted all violations but requested the civil penalties be decreased or eliminated. After careful consideration of the licensee's response, the staff has concluded that the licensee did not provide a sufficient basis for mitigation of the civil penalties.

Accordingly, an Order Imposing Civil Penalties in the amount of \$12,500 has been issued today. Under the terms of the Order, the licensee may within 30 days of the date of the Order, pay the civil penalties or request a hearing.
