Washington, D.C. 20555

Inquiry from: Dr. William Loran
100 Thorndale Drive 356
San Rafael, California 94903

Re: Please respond to the issues raised by Dr. Loran regarding the possibility of extending the public comment period for the DEIR/S on the proposed Needles siting of a Low-Level Waste Repository.

I forward the attached for your review and consideration.

Your report, in duplicate, along with the return of the enclosure, will be appreciated. The response should be directed to the attention of Jim Kohlenberger in my Washington office.

Thank you for your attention to this matter.

Sincerely,

Alan Cranston
